Definitions of a Pre-Existing Medical Condition:

Means any condition for which You (or any other person not necessarily travelling but upon whom travel depends such as an Immediate Relative) have ever received treatment (including surgery, tests or investigations by Your doctor or a consultant/specialist, or prescribed drugs/medication). Any Medical Condition for which You (or any other person not necessarily travelling but upon whom travel depends such as an Immediate Relative) have received surgery, in-patient treatment or investigations in a hospital or clinic within the last twelve months, or prescribed drugs/medication.

If cover is required in respect of any PRE-EXISTING MEDICAL CONDITION not listed above please call Our medical screening helpline in confidence on: +44 (0)1702 427 179

The medical screening helpline may be contacted between 09.00 and 17.00 Monday to Friday and 10.00 to 16.00 on Saturdays. Medical screening is optional for those persons wishing to establish if additional cover may be offered to include Pre-Existing Medical Conditions. You will be asked for Your personal and travel details. Please have Your individual policy number to hand if known.

Please see page 2 for policy definition of **Pre-Existing Medical Condition**.

Please Note

One of the many benefits of travel insurance is the easy access it affords to professional assistance if You suddenly fall ill abroad. However, travel insurance is not a substitute for private medical insurance. It is important to note that cover is only provided for necessary emergency treatment in the event of an accident or unexpected illness that has been approved by Our assistance company.

On contacting the medical screening helpline, You will be advised whether the Pre-Existing Medical Condition may be covered, an optional additional premium may be quoted and whether any amendments will be made to the policy terms and conditions. If terms can be provided for the condition and You elect to take up the offer of the additional cover, You will be given a medical screening reference number and a letter will be sent to You upon receipt of payment. Any additional premiums must be paid directly to the medical screening company and not the company You are arranging Your travel insurance with.

Should you not wish to take advantage of the optional terms quoted by the medical helpline, cover for the Medical Condition in question will be excluded.

There is no cancellation or curtailment cover for a Pre-Existing Medical Condition of persons not necessarily travelling but upon whom travel depends, such as an Immediate Relative, unless disclosed to Healthcheck and additional cover agreed. Please also see general exclusions for additional details of other excluded Medical Conditions.

Change of Health

If Your health changes after the date this policy was purchased, then You must contact the medical helpline immediately if:

You have reason to believe that Your journey may need to be cancelled or curtailed, or

You are aware of any other circumstance that could reasonably be expected to result in a claim on this policy; or

a doctor has advised You against travelling or You believe would do so if his/her advice was sought; or

You have any medical condition for which You received a terminal prognosis.

Provided the journey was booked before the change of health occurred, You may have a valid cancellation claim if You have to cancel Your journey, or if We cannot provide the cover required.

If advised about Your change of health, the medical screening helpline will tell You if We can provide cover for any claim arising from this change of health, and if so, whether any additional premium is required, or any additional terms apply. If We agree to cover any change in health, then We will confirm this in writing. If You do not let the medical screening helpline know about any of Your changes of health, then You may not have the cover You need and it may invalidate Your policy or reduce the amount of any claim.
