Bridge2Aid as your practice charity for a year!

Is your practice a vibrant and amazing place? Do you engage with the hearts and minds of your patients and staff? If so we'd love to help you carry on with this great work.

Choosing to support Bridge2Aid as your practice charity shows everyone that you interact with that you have vision, compassion and ethics. There are loads imaginative and exciting ways that you can involve your patients and engage your staff in supporting a charity whose sole aim is getting people in some of the poorest communities in the world out of pain.

Please email Paul (paul.tasman@bridge2aid.org) if you'd like to find out more, or sign up!

Over 70% of the world has no access to any form of safe treatment for oral diseases and infections. People are abandoned to agony for months and years. They face life-threatening infections and pain that is so severe that they cannot work, go to school or feed their families. Our unique solution is providing intensive practical training to existing health workers in emergency dental skills to treat and educate. **Become part of our amazing journey today!**
